

UDAY G

Aspiring Web Developer

9019865648 • ud4yg@yandex.com • linkedIn.com • Bengaluru

Summary

I am an aspiring web developer specializing in various programming languages such as Java, JavaScript, HTML, and CSS. With a solid foundation in both frontend and backend technologies, I am enthusiastic about applying my skills in real-world applications. My long-term goal is to establish myself as a successful freelancer, delivering innovative solutions while continuously learning and contributing to impactful projects.

Education

Presidency University

BTech in Computer Science and Engineering

Bengaluru, India

08/2021 - 05/2025

MES Kishora Kendra College

Pre-University

Bengaluru, India

08/2019 - 05/2021

Skills

Technical Skills: • HTML & CSS • JavaScript • Python • Java • C# • Node.js • Git

Soft Skills: • Problem-Solving • Flexibility • Work Ethics • Communication Skills

Projects

Object Tracking using OpenCV and KCF Tracker

Open-source

03/2023 - 04/2023

Object Tracking using OpenCV and KCF Tracker

- Developed an open-source AI project for object detection using encoded data.
- Utilized compatible video sources to recognize objects seen through a camera.

Oral Cancer Detection and Classification

2nd Year Project

05/2023 - 08/2023

Research Paper on Oral Cancer Detection and Classification

- Conducted data collection and preprocessing for oral cancer detection.
- Designed and implemented a machine learning model for image classification using CNNs.

Certification

Real Life Machine learning and Data Science projects

- Udemy

API Prototyping Learning Path

- Postman Academy

Neural networks and Deep learning

- Great Learning
